COCKTAILS

**Espresso Martini**

Did someone say coffee?! This cocktail is the perfect mix of Vodka, Kahlua, and Coffee with a dash of Sugar Syrup to help you enjoy the sweeter side of life

18

Mojito

Need a refreshing drink? How about some Bacardi, Sugar Syrup, and Soda Water all mixed with fresh Mint Leaves and Lime? Sounds alright to me

16

Tom Collins

I've never met a Tom I didn't like, but I can tell you, Tom Collins is my favourite. He always brings me Gordons Gin, Sugar Syrup, Soda Water and Fresh Lime. He's a nice guy

16

White/Black Russian

Vodka and Kahlua, the best of friends. Sometimes they invite a friend to their parties, but never at the same time. Who will you invite?! Milk or Coke?

16

Hawaiian Honeymoon

Close your eyes and imagine a place with beautiful sunsets, lush beaches... now open them. The closest thing you're going to get to that scene is Bacardi, Sambuca, Orange Juice, Pineapple Juice, and Lemon Juice. Close enough I'd say.

16

Stormy Monday

Mondays? Even worse when they're stormy. What about some Southern Comfort, Malibu, and Orange Juice to make your Monday better? Or Tuesday? Any day really, we don't judge

16

Moscow Mule

Need a bit of a kick? Me too don't worry. Sit back and enjoy the refreshing taste of Vodka, Sugar Syrup, Dry Ginger Ale, and Fresh Lime with a dash of Bitters. Should help take your mind off things

16
